PROFESSIONAL SUMMARY

Experienced Web Developer skilled in modern JavaScript frameworks like React, Next.js, and Nest.js, with strong backend expertise in PHP, Laravel, and Go. Proficient in database management using MongoDB and MySQL, along with DevOps tools like Docker and Git for streamlined deployment. Delivers scalable, high-performance web applications with clean, maintainable code and efficient problem-solving. Combines technical precision with strong collaboration to meet client needs and optimize user experi

WORK EXPERIENCE

Frontend Developer — PT Pencari Jodoh

Jun 2026 - Jun 2026

- Developed a responsive user interface that improved page load speed by 40% using React and lazy loading techniques.
- Optimized frontend codebase, reducing bundle size by 30% through tree-shaking and dynamic imports.
- Implemented automated testing with Jest, increasing test coverage from 65% to 90% and reducing bugs by 25%.
- Collaborated with UX designers to revamp the checkout flow, boosting conversion rates by 15% in 3 months.
- Integrated RESTful APIs with Axios, decreasing data fetch latency by 20% and improving user experience.
- Led a cross-functional team to migrate legacy jQuery components to React, cutting maintenance costs by 35%.

Frontend Developer — PT Pencari Jodoh 1

Jun 2026 - Present

- Optimized frontend load time by 40% by implementing lazy loading and code splitting, enhancing user experience and reducing bounce rates.
- Increased conversion rates by 22% by redesigning the UI with React and Tailwind CSS, improving usability and engagement.
- Reduced bug reports by 30% by introducing unit testing with Jest and React Testing Library, ensuring higher code reliability.
- Accelerated feature deployment by 50% by migrating the legacy codebase to a modern React architecture, streamlining development workflows.
- Enhanced team productivity by 25% by leading code reviews and mentoring junior developers, fostering a collaborative environment.
- Boosted mobile responsiveness scores by 35% by refactoring CSS with Flexbox and Grid, ensuring seamless cross-device compatibility.

EDUCATION

S.Kom in Kimia Syariah — Universitas Gajah Terbang

Jun 2026

- Pinter gw
